CLAYTON 360

Honoring History • Involving Community • Refining Vision

Expectations of Steering Committee:

- Help to shape and organize process
- Review and analyze stakeholder feedback
- Serve as ambassadors to the community throughout the M|V|CV process
- Plan and lead community meetings
- Collaborate with BOE at the end of the process to write final mission, vision and core values based on input received (all-day Saturday work session end of May 2012)
- Attend semimonthly steering committee meetings and approximately five community meetings
