

# 5<sup>TH</sup> GRADE FAMILY NIGHT

APRIL 9  
7-8:30 P.M.

CENTER OF CLAYTON

**Parents, come together to find ways to ease your family's transition to middle school**

## **5<sup>th</sup> Grade Parents:**

- Meet and talk with other 5th grade parents and learn about the many activities, opportunities and services the Community Alliance, The Family Center and Clayton Parks and Recreation Department offer middle school families.
- Find out what 5th graders think it will be like at WMS. What are they concerned about? What are they excited about? What did they say their parents could do to help them through the transition to a new school?
- Ask current middle school parents your questions.
- Pick up FREE parenting and prevention resources.

## **5<sup>th</sup> Grade Students:**

Play fun games and have the opportunity to meet 5<sup>th</sup> graders from the other elementary schools. Clayton Parks and Recreation staff have planned a variety of games in the Center of Clayton gyms for you to enjoy.

Refreshments and Free childcare will be provided while spots last. For questions contact Anne Wilding at [anne\\_wilding@clayton.k12.mo.us](mailto:anne_wilding@clayton.k12.mo.us) or call 725-5828.

**Please return R.S.V.P. to your elementary school office by March 31.**
