Fundraising - Stefanie Mott

- spirit wear form went out in enrollment packets
- a couple options for where to order from — will decide based on pre-orders
- thinking about making Parents Night Out as a fundraiser next year, potentially a silent auction
- have all of the class pictures taken — waiting for Redbud from the photographer. Due to last minute completion, will offer pictures free of cost for Redbud families

- teachers loved teacher appreciation week — Taco Buddha was a favorite
- next year looking at the teacher's favorites list & do individualized gifts for each teacher with their favorites (drink, candy, snack, etc)

Playground Upgrade - Amy Perry

- we are getting a log tunnel and a hill slide
- price with install came in over budget — but district will cover the difference
- slide will go on hill down to lower playground, log will go by the tree
- planning to install in July — to enjoy for next school year

## Budget Update - Haozheng Jiang

-one sponsorship request for next year — has to be a resident family, if they qualify for free meals through free and reduced lunch program then they get 50% of four morning, if they get reduced then it's 25% of four morning tuition.
