Director's Update - Debbie

Playground update

Met with Clayton Century Foundation, an assessment meeting. They are helping to get donors Clayton school district responsible for; asphalt work, concrete work, work on ADA paths, pay for some of the surfaces.

\$300k needed for the playground

\$150k lead gift needed and then start asking individual families

Meeting again March

Think about people for Century Foundation to contact about large donations

Ask room parents to ask classes to also think about people for the possible lead gift

A few teachers were part of a profession development opportunity, in Portland, took 3 kindergarten teachers, playful inquiry, Opal School, regio style school. Looked at what play and critical thinking looks like K-12 grade. Meeting tonight to discuss presenting to the district what they learned.
