**Step 8-** Consider taking a learning center. If you've been recommended for learning center you will see it in bold here and should select this class as an option. It will count toward your electives. Click on the pencil to select a support class

**Student Support** Click the edit button to request a course ⇒  

Consider taking a learning center at least one semester freshman year. Learning center helps with organization, a place to get work done, and student skills. You may notice that your teacher recommended you for a support class below. This will count toward your elective credits.

Number of requests to generate : 1

**Step 9-**The next 4 sections contain elective options. Click on each option to review choices. You will have to scroll through pages at the bottom. You DO NOT have to pick something from each category. If you are currently in a World Language class and want to continue look for your teachers recommendation in bold.

**World Language** Click the edit button to request a course ⇒  

Consider starting your World Language next year. If you're currently in a Language your teacher's recommendation will be bold.

**Fine Art Electives** Click the edit button to request a course ⇒  

You do not have to choose a fine art but you will need 1.0 credit to graduate so consider taking one this yer.

Number of requests to generate : 1

**Practical Arts** Click the edit button to request a course ⇒  

You do not have to take a practical art this year but consider your options and choose a class or two you'd like to try.

Number of requests to generate : 1

**Additional elective options** Click the edit button to request a course ⇒  

These are general elective options you can choose from.

**Click on each pencil to look at course options. Choose from the classes that interest you. Check the program of studies for descriptions and prerequisites. You will probably not select classes from all 4 sections.**

**Step 10-Alternates-VERY IMPORTANT-**Select classes that you'd be okay taking if your other electives are full. Remember freshmen don't always get their first choice so choose carefully.

**Alternates** Click the edit button to request a course ⇒ 

Choose at least two semester or one year long class as an alternate should your other electives be full.

Number of requests to generate : 1

**Step 11:** When finished your magic number of boxes is 14. Count to see if you have at least 14 boxes (not counting alternates). If you are taking a class outside of the school day (##) then you might have more boxes.

**Alternates and submitting:** Check to be sure you have alternates. Check that you are at least requesting 8 credit hours then you are ready to submit. Alternates DO NOT count toward your credit hours.

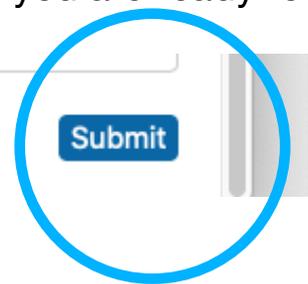

The screenshot shows a web interface for course selection. It is divided into two main sections: "Alternates" and "Additional Requests".

**Alternates Section:** This section has a title "Alternates" and a green checkmark icon. Below the title, it says "Choose at least two semester or one year long class as an alternate should your other electives be full." and "Number of requests to generate : 1". There are three course selection boxes: "BIOMED SCIENCE (PLTW) 3075A - 0.5 credits", "BIOMED SCIENCE (PLTW) 3075B - 0.5 credits", and "BUSINESS & PERSONAL L 62750 - 0.5 credits".

**Additional Requests Section:** This section has a title "Additional Requests" and a green checkmark icon. It says "Requests that are currently not associated with any requirement group." and "Click the edit button to request a course →". Below this, there is a row of text: "Requires between 7 and 10 credit hours.", "Requesting 8 credit hours.", and "Requesting 0 additional credit hours." This row is circled in red. To the right of this row is a green checkmark icon.

At the bottom right of the screenshot, there is a blue "Submit" button circled in blue.

When all your exclamation points become green checkmarks you are ready to

Don't panic if there are glitches, don't panic if you don't see a class you know you need, don't panic! I will be at Wydown next Thursday 2/25 to help.

Also, remember we will meet individually starting March 4th and will review all of your choices. After all appointments are finished I will reopen the PowerSchool portal so you can review again to ensure we have all the correct classes represented.

NO PANIC :-)
