

## **Norms**

- Practice active listening by seeking to hear all voices in the room, listening for understanding and listening respectfully.
- Come with an open mind and be open to hearing others.
- Be actively involved in the discussion.
- Use positive presuppositions; assume goodwill; trust that we are all working together.
- Be respectful to each other by using positive body language, using respectful communication style sharing airtime, and showing respect for each other as professionals.
- Be willing to take responsibility for collective decisions made by the Committee. Be ambassadors of our work.
